ABOUT THE UNIVERSITY

A Heritage of Academic Excellence

Dr. M.G.R. Engineering College (est. 1988) and Thai Moogambigai Dental College and Hospital (est. 1991) were conferred Deemed to be University status in 2003 by the Ministry of Human Resource Development, Government of India, and unified as Dr. M.G.R. Educational and Research Institute.

Over the years, the University has expanded with the inclusion of A.C.S. Medical College and Hospital (2008), RajaRajeswari Medical College and Hospital, Bengaluru (2019), and Sri Lalithambigai Medical College and Hospital (2021) as constituent institutions.

Today, the University serves over 30,000 students from India and abroad, offering multidisciplinary programs in Medicine, Dental Sciences, Allied Health Sciences, Engineering and Technology, Management, Computer Applications, Architecture, Law, Education, Humanities, Arts, Commerce, and more.

ACCREDITATION & ACHIEVEMENTS

FROM THE CHANCELLOR & PRESIDENT

DR. A.C. SHANMUGAM
Chancellor

Education today has evolved beyond physical classroom into flexible, learner-centric ecosystems. At Dr. M.G.R. Educational and Research Institute, we embraced this transformation early by integrating technology with academic excellence. Through Dr. M.G.R. Online, we empower learners to pursue quality education with the freedom to learn anytime and anywhere, without compromising academic rigor. Our programs are designed to support professional growth while nurturing lifelong learning.

ER. A.C.S. ARUN KUMAR
President

Technological advancement has transformed education, making learning more accessible and inclusive. Dr. M.G.R. Online offers structured digital learning, interactive sessions, recorded lectures, and secure assessments to ensure a comprehensive academic experience. Our vision is to make quality higher education credible, affordable, and future-ready, enabling learners to advance confidently in their careers.

FROM THE VICE CHANCELLOR AND DIRECTOR

At Dr. M.G.R. Online, academic excellence is driven by innovation, adaptability, and learner-focused education. Our Programs are designed to develop critical thinking, professional competence, and lifelong learning skills through technology-enable instruction.

DR. S. GEETHALAKSHMI
— Vice Chancellor —

Dr. M.G.R. Online delivers UGC-entitled education through a robust digital ecosystem. Our Learning Management System integrates live classes, recorded content, assessments, and academic monitoring to ensure a structured yet flexible learning journey.

DR. MALINI PANDE
Director - Dr. MGR Online

DR. M.G.R. ONLINE TEAM

Vision, Mission & Quality Policy

VISION

To impart high quality online learning opportunities to aspiring learners with Tailor-made, engaging and interactive modules supported by a Transformative Innovative Instructional Technology for next generation learners and shaping future leaders towards becoming effective National and Global citizens.

MISSION

Provide world-class online teaching learning platform for contemporary knowledge delivery.

Deliver digital learning through innovation-driven instructional technology.

Offer flexible support services for aspiring learners in the global community.

Foster creative problem solving through higher-order thinking skills.

Conduct hybrid and web-enhanced classes via non-traditional delivery modes.

QUALITY POLICY

Commitment to continuous improvement of quality through an empowered learning community.

ONLINE EDUCATION – A NEW PARADIGM IN LEARNING

Education today is undergoing a significant transformation driven by rapid technological advancements and evolving learner needs. The traditional classroom-based system has gradually evolved into a more flexible, accessible, and technology-enabled learning environment. This paradigm shift has redefined how knowledge is delivered, accessed, and applied in the modern world.

Online Education has emerged as a powerful and effective mode of learning, offering students the opportunity to pursue quality education without limitations of time or location. With the integration of digital tools and innovative teaching methodologies, online learning has become an essential component of contemporary education.

Key Advantages of Online Learning

Flexibility: One of the most significant advantages of online education is flexibility. Asynchronous learning enables students to access course content and participate in academic activities at their convenience. Learners can attend classes from anywhere in the world, provided they have access to a computer and an internet connection.

Repeated Access to Learning Materials: Unlike traditional classrooms, online education allows students to revisit recorded lectures and digital resources multiple times. This enhances comprehension and enables learners to study at their own pace, ensuring better academic outcomes.

Cost Effectiveness: Online learning reduces the financial burden associated with commuting, accommodation, and printed study materials. The use of digital resources further minimizes overall educational expenses while maintaining academic quality.

Personalized Learning Experience: Online education supports self-paced learning, allowing students to study in an environment that suits their individual learning styles. This personalized approach enhances understanding, engagement, and academic performance.

Immediate Feedback and Continuous Assessment: Technology-enabled learning platforms allow for timely feedback on assignments and assessments. This helps students identify areas of improvement and promotes continuous learning and academic growth..

EVOLUTION OF ONLINE PROGRAMS

Dr. M.G.R. Educational and Research Institute

In June 2021, the University received UGC approval to offer 13 Online Degree Programs, based on its A+ NAAC grade. This led to the launch of Dr. M.G.R. Online Programs, with a dedicated administrative team to manage and support learners.

The first online batch commenced in **July 2021** with 400 students approximately, followed by the second batch in January 2022. Today, with a student strength exceeding 2,000, our tenth batch (January 2026) marks a significant milestone, reflecting both growth and geographic diversity.

Our Learning Management System (LMS) has been continuously upgraded to provide an interactive, accessible, and resource-rich experience. The faculty team has expanded to include highly qualified and technologically competent educators, ensuring quality learning at every step.

Beyond UGC-approved degree programs, we now offer:

- Foreign language courses
- Skill-based value-add programs
- Guest lectures by industry experts

We also foster a sense of community and creativity through initiatives such as:

- Meet Your Batch Mates** – offline networking sessions
- Student Magazine “Fly High”** – student-led publications
- CSR Club “Fusion of Friends”** – socially responsible projects

Additionally, placement training and career support help prepare students for professional success.

Dr. M.G.R. Online Programs is dedicated to delivering a flexible, innovative, and transformative learning experience, empowering students to achieve academic and professional excellence anytime, anywhere.

UNIQUE SELLING PROPOSITIONS

Empowering Learners Through Technology,
Flexibility & Excellence

Smart and Interactive Learning System

Dr. M.G.R. Online Learning Management System (LMS) is built using cutting-edge technology to ensure a seamless and enriching learning experience.

- User-friendly platform accessible via desktop and mobile devices
- Integrated live webinar tools enabling two-way interaction
- Easy navigation for lectures, assignments, and assessments
- Secure, scalable, and learner-focused digital environment

The LMS ensures flexibility and freedom to balance professional commitments while pursuing higher education.

Engaging Learning Methodology

Our learning model is designed to make education interactive, immersive, and outcome-driven.

Key Learning Components

- Live Interactive Session & Recorded Video Lectures – Expert-led sessions with visual explanations
- Case Studies – Industry-based real-world applications
- Discussion Forums – Peer learning and faculty interaction
- Guest Lectures – Insights from industry professionals
- Interactive Content – Animations and concept-based learning

This approach ensures strong conceptual clarity and active learner participation.

Four-Quadrant Learning Framework

A comprehensive learning model enabling anytime, anywhere education.

Career-Oriented Academic Support

- Industry-aligned, well-structured curriculum
- Virtual events for leadership and skill development
- Strong academic-industry collaboration
- Mentorship by experienced academicians
- Internship & Project Support
- Dedicated career guidance and placement assistance

FOREIGN LANGUAGES

Unlock Global Opportunities with
Certified Proficiency

Introduction

In today's interconnected world, language is more than communication — it is access. The **Foreign Language Certification Programs at Dr. M.G.R. Online Programs** empower learners with the skills to engage confidently in global environments, professionally and culturally.

Our programs are designed to cultivate linguistic fluency, intercultural awareness, and **career-ready competencies** essential for success in international landscapes.

Why Multilingual Proficiency Matters

Learning a foreign language enhances:

**Global
Employability**

**Career
Advancement in
International
Sectors**

**Cultural
Intelligence**

**Cognitive and
Personal
Development**

**Cross-Border
Networking
Opportunities**

In a competitive global economy, multilingual professionals stand apart.

A Gateway to Global Careers

Foreign language proficiency adds strategic value in fields such as:

International Business

**Diplomacy &
International Relations**

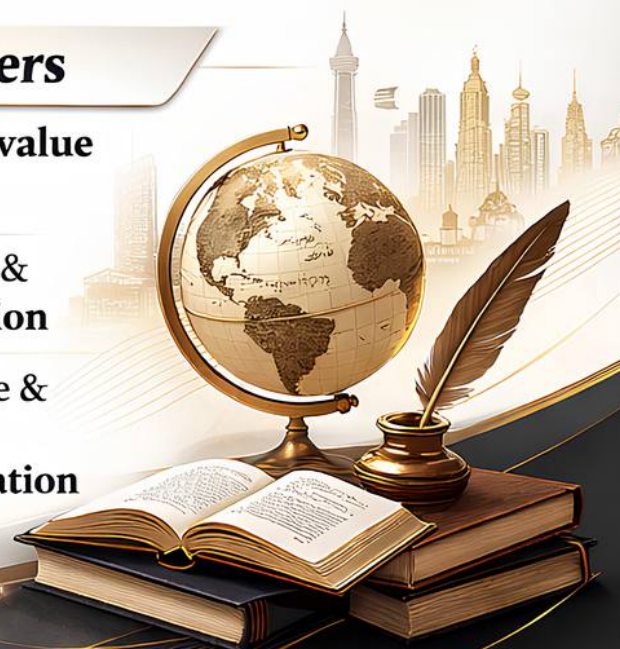

Tourism & Hospitality

**Translation &
Interpretation**

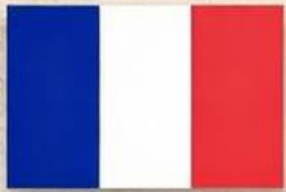

**Global Trade &
Corporate
Communication**

Intelligent Learning Management System

A Seamless Digital Learning Experience

Our advanced Learning Management System (LMS) integrates live video conferencing and interactive digital tools to create a dynamic, two-way learning environment. Designed for clarity, accessibility, and engagement, the platform enables real-time faculty-student interaction, structured course delivery and collaborative academic discussions - ensuring a connected and immersive learning experience

Recorded Videos for Learning at Your Own Pace

Integrated Live Webinars with Two-Way Interaction

Structured Course Modules & Digital Resources

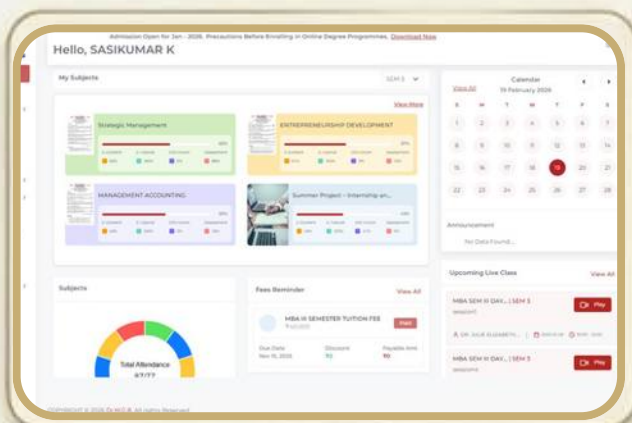

Multimedia Content including Animation & Gamified Learning

Case Studies & Discussion Forums

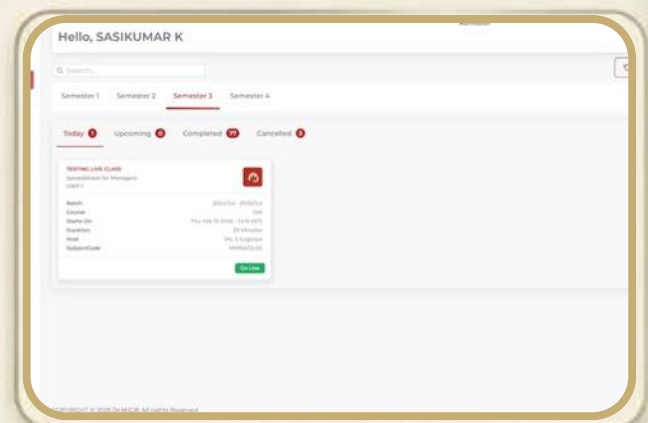

Secure & User-Friendly Interface

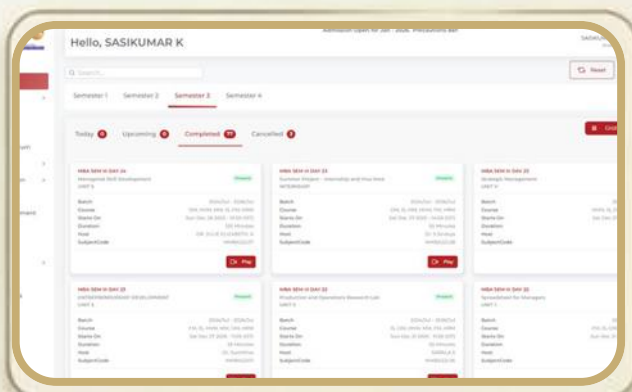

Student Dashboard Overview

A centralized platform for tracking academic progress, schedules, and performance.

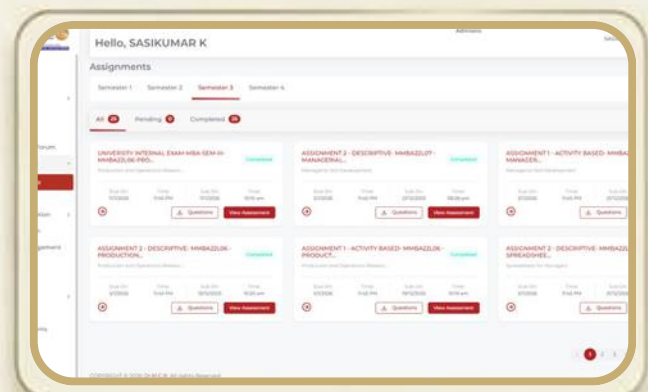

Live Webinar Interface

A seamless virtual classroom environment enabling real-time faculty interaction.

Recorded Classes

All-time access to lecture recordings for flexible and continuous learning.

Course Modules & Assessment Panel

Integrated access to structured learning content, assignments, and evaluations.

Faculty & Mentorship

Personalized Academic Guidance. 100% Online Learning Support.

Our online programs are strengthened by a structured mentorship model designed to ensure personalized academic support. Each mentor is thoughtfully mapped to a focused group of learners, enabling close monitoring, regular interaction, and meaningful academic engagement throughout the program

Dedicated Academic Mentors

Each mentor guides a cohort of approximately 60 learners, ensuring individual attention and consistent academic oversight.

Continuous Monitoring & Support

Mentors track academic progress, assignment completion, and participation in learning activities to ensure timely course progression.

Bridge Between Faculty & Learners

Mentors act as an academic liaison, facilitating smooth communication between course instructors and students.

Monthly Academic Connect

Regular one-on-one interactions are conducted to review performance, address concerns, and ensure uninterrupted learning.

Query Resolution & Academic Guidance

All student queries and challenges are addressed promptly in alignment with university guidelines.

Structured Feedback Mechanism

Periodic feedback from students is documented and communicated to designated university authorities to enhance academic quality.

“POWER OF LEARNING ON YOUR TERMS”

Experience the power of learning on your terms. Our flexible online programs are designed for today's busy professionals, allowing you to balance work, life, and education seamlessly. Access course materials anytime, anywhere, with flexible schedules and recorded sessions. Our outcome-focused curriculum empowers your career growth with practical skills and industry relevance.

Deeksharambh

The Formal Beginning of Your Academic Journey

Deeksharambh marks the ceremonial commencement of a learner's academic journey. Rooted in Sanskrit, Deeksha signifies initiation and Aarambh signifies a beginning - symbolizing the transition into a new phase of growth, learning and transformation.

At Dr. M.G.R. Online, Deeksharambh is conducted as a structured 7-Day Online Orientation & Induction Programme for first-year students across all batches.

Since July 2021, ten successful versions of Deeksharambh have welcomed and prepared learners for a purposeful academic journey.

Programme Highlights

- University and Program Orientation
- Learning Management System (LMS) Overview
- Interaction with Senior Student Mentors
- Academic Guidance on Specialization, Projects & Internships
- Industry Expert Session
- Overview of AI-Proctored Examinations
- Session on Human Values & Professional Ethics

Deeksharambh ensures that every learner begins with clarity, confidence, and connection.

Meet Your Batchmates

From Virtual Classrooms to Real Connections

While our academic journey is delivered online, the spirit of learning extends beyond screens, Meet your Batchmates is our in-person gathering that brings together our online learners from across regions to connect, collaborate, and celebrate their shared academic journey. Having successfully conducted three editions, this initiative has become a defining part of the student experience.

What Makes It Special

- First in-person interaction with classmates
- Faculty and mentor engagement sessions
- Peer Networking & Collaboration
- Campus Immersion Experience
- Interactive and Cultural Engagement Activities

The Impact

- Transforms virtual peers into professional networks
- Builds long-term academic and personal connections
- Strengthens belonging within the university community
- Reinforces collaborative learning beyond digital platforms

“Because meaningful education is built not only through knowledge — but through connection.”

Dr. M.G.R. Online CSR

On the special occasion of our President and Chancellor's birthday, we celebrated the day by giving back to the community through acts of kindness and service. As part of the initiative, we visited an ashram and a temple, where food was distributed to residents, devotees, and those in need. Essential items were also provided to support their daily requirements and bring comfort to their lives.

These Corporate Social Responsibility (CSR) activities are carried out on the special occasion of our President and Chancellor's birthday, reflecting the institution's commitment to compassion, social responsibility, and community welfare.

This meaningful celebration reflected the values of compassion, generosity, and social responsibility. Seeing the smiles and gratitude of those we served made the occasion truly memorable. By sharing happiness and extending a helping hand, we honored the birthday in a way that embodied the spirit of humanity and care for others.

Events & Outcomes

Engagement. Exposure. Excellence.

Over the past five years, Dr. M.G.R. Online Programs has curated a dynamic ecosystem of academic enrichment, industry exposure, and student engagement initiatives. From expert talks and leadership sessions to community-building events and skill enhancement workshops, our online learners experience education that goes far beyond virtual classrooms. Each initiative is designed to strengthen knowledge, enhance employability, and foster meaningful peer and industry connections.

AWARDS & RECOGNITIONS

SOUTH INDIA'S LEADER IN ONLINE EDUCATION TIMES NOW EDUCATION SUMMIT 2025

Dr. M.G.R. ONLINE was honoured as “South India's Leader in Online Education” in recognition of its exemplary leadership and transformative impact in the domain of digital learning. This prestigious accolade celebrates the institution's consistent academic excellence, innovative digital pedagogy, industry-aligned curriculum frameworks, and its commitment to inclusive and accessible higher education across the region. Through strategic integration of advanced learning technologies, structured quality assurance mechanisms, and student-centric program delivery, the institution has empowered thousands of learners with flexible and career-oriented educational pathways. This honour, conferred at the Times Now Education Summit 2025, underscores Dr. M.G.R. ONLINE's outstanding contribution to redefining online education and shaping the future of learning in South India.

AWARDS & RECOGNITIONS

KATRAL AWARDS

Excellence in Online Education

It is a proud milestone for Dr. M.G.R. Online Programs to be recognized by the Katral Awards for excellence in delivering high-quality online education.

This distinguished honour reflects the institution's unwavering commitment to academic innovation, digital transformation, and learner-centric education. The award acknowledges our continuous efforts in adopting advanced technologies, implementing effective pedagogical strategies, and maintaining rigorous academic standards in the online learning ecosystem.

Receiving this recognition strengthens our credibility within the education sector and reinforces our position as a trusted provider of accessible and future-ready higher education. It stands as a testament to our dedication to empowering learners through flexible, inclusive, and quality-driven online programs.

TESTIMONIALS

Voices of Achievement

DEEPALAKSHMI P.

Nurse, IBN SINA College and Hospital, Kingdom of Saudi Arabia

The online MBA programme at Dr. M.G.R. Online offers excellent flexibility, making it easy to balance my studies with my schedule. The video lectures and learning materials available through the LMS are highly useful, allowing me to access them at my convenience. The availability of library resources and academic articles has been invaluable for research and reference. Through this programme, I have gained strong practical knowledge and a deeper understanding of leadership. It has significantly enhanced my leadership skills and professional confidence. I sincerely thank the team at Dr. M.G.R. Online for delivering such a well-structured and supportive online programme.

FAHAMITHA BANU

Project Coordinator, Winner Holistic Consultant L.L.C, Abu Dhabi, UAE

Pursuing my MBA (HR) online at Dr. M.G.R. Online has been a truly transformative experience. The weekend (Saturday–Sunday) full-day classes were well structured, enabling me to balance my professional commitments while gaining strong knowledge in Human Resources. The faculty members were supportive, experienced, and explained each subject clearly using practical, real-world examples. This programme strengthened my confidence, enhanced my HR skill set, and prepared me to handle real-time corporate challenges effectively. I am sincerely grateful for this enriching learning journey.

AVINASH U

Staff Nurse, Apollo, Chennai

My time at Dr. M.G.R. Online has been one of the most important phases of my life. When I first joined the online classes, I was nervous and unsure, but the friendly environment and supportive faculty quickly made me feel comfortable. The classes are well-organized, and the teachers always encourage us to think beyond textbooks. Most importantly, I have made wonderful friends and created memories that I will always cherish. My online learning experience not only shaped my knowledge but also helped me become more confident and responsible. I am truly grateful to be a student of this institution.

CHITTARANJAN JENA

Chief Engineer, Atmosphere Core Pvt. Ltd., Kolkata

I am pleased to share my feedback on having successfully completed the online MBA in Operations Management at Dr. M.G.R. Online. The programme was intellectually stimulating and professionally enriching, with a well-designed curriculum that effectively integrated contemporary operational strategies with practical business applications through a structured and user-friendly online platform. The faculty demonstrated exceptional expertise, clarity, and academic rigour, significantly strengthening my understanding of operations, supply chain management, quality control, and strategic planning. I sincerely appreciate the continuous support provided by the University management, faculty members, and staff, with special thanks to Mr. Prasanna for his timely guidance and consistent support. Completing this MBA has enhanced my analytical abilities, broadened my managerial perspective, and I would highly recommend this institute to aspiring MBA students seeking a transformative learning experience.

TESTIMONIALS

Voices of Achievement

ANKIREDDY GNANASREE

Tutor, Sri Lalithambigai Medical College and Hospital, Chennai

I would like to sincerely thank Dr. M.G.R. Online for making quality education accessible through its online MBA programme. This initiative is highly beneficial for anyone who wishes to continue their education and pursue a postgraduate degree. The programme provides valuable guidance and support, helping students achieve their academic and professional goals effectively.

RUBESH S.

AGM, Pvt Solar, Chennai

Dr. M.G.R. Online offers an excellent MBA programme. I am grateful for the opportunity to pursue my postgraduate studies, particularly in a specialization that closely aligns with my professional experience in Marketing, Sales, and Business Development. I would also like to express my sincere gratitude to my wife for motivating and encouraging me throughout this journey, as well as to my family for their unwavering support. Their encouragement played a vital role in helping me successfully complete this programme.

GANAPATHI N.

Senior Manufacturing Engineer, Tenneco Clean Air India Ltd., Oragadam, Chennai

My time at Dr. M.G.R. Online has been one of the most important phases of my life. When I first joined the online classes, I was nervous and unsure, but the friendly environment and supportive faculty quickly made me feel comfortable. The classes are well-organized, and the teachers always encourage us to think beyond textbooks. Most importantly, I have made wonderful friends and created memories that I will always cherish. My online learning experience not only shaped my knowledge but also helped me become more confident and responsible. I am truly grateful to be a student of this institution.

DHIBILAN

Registered Nurse, Hanover BNT, Dubai

I completed my MBA in Hospital and Healthcare Management at Dr. M.G.R. Online, and it was a highly valuable learning experience. The classes were well-organized, the faculty explained each concept clearly, and the study materials were simple and easy to understand. The institution maintained a high standard of teaching and provided excellent academic support throughout the programme. This course helped me gain confidence and practical knowledge, enabling me to advance my career in the healthcare sector. I am grateful to the institution and the faculty team for their continuous guidance, encouragement, and support throughout my academic journey.

TESTIMONIALS

Voices of Achievement

POUSE POULOSE

Associate Professor, Netra Chikitsa Ayurveda College, Amreli

Pursuing my MBA at Dr. M.G.R. Online has been a truly transformative experience. The programme offered an effective blend of academic excellence, practical learning, and real-world application, enabling me to develop strong managerial, analytical, and leadership skills. The faculty members were highly supportive, knowledgeable, and deeply committed to student development, fostering an environment that encouraged critical thinking and innovation. The structured curriculum, case-based discussions, and project-oriented learning helped me understand complex business challenges with greater clarity and confidence. Overall, my MBA journey at Dr. M.G.R. Online has strengthened my professional outlook, broadened my perspective, and prepared me to excel in diverse organizational roles. I am grateful to the institution and the faculty for their continuous support and guidance throughout this enriching journey.

MR. SURESH JANAKIRAMAN

Senior Director & Head - Cloud Infrastructure & Cybersecurity, Capgemini, Tokyo

Choosing to pursue my MBA online through Dr. M.G.R. Online was a decision driven by ambition and necessity. Based in Tokyo and working with Capgemini, I needed a program that respected my time yet challenged my thinking. The curriculum was rigorous and practical. This Course directly influenced my approach at work. The virtual classroom connected me with peers from diverse industries, adding real depth to discussions. Completing this MBA while delivering for global clients proved to me that distance is no barrier to quality education. I highly recommend this program to working professionals ready to invest in themselves.

RIYA JOY NURSE, MALTA

As a nurse working in Malta, I joined the MBA in Hospital & Healthcare Management, Jan 2022 batch, to understand the business side of healthcare industry. Juggling night shifts with online lectures wasn't easy, but every module made my academic journey smooth. The MBA HHM program helped me see patient care through a systems lens. I now think differently about resource planning, team leadership, and patient experience metrics. To every healthcare professional considering upskilling: your frontline experience + formal management training = real impact. Proud to be an alumni of Dr. M.G.R. Online

MD AZHAR UDDIN

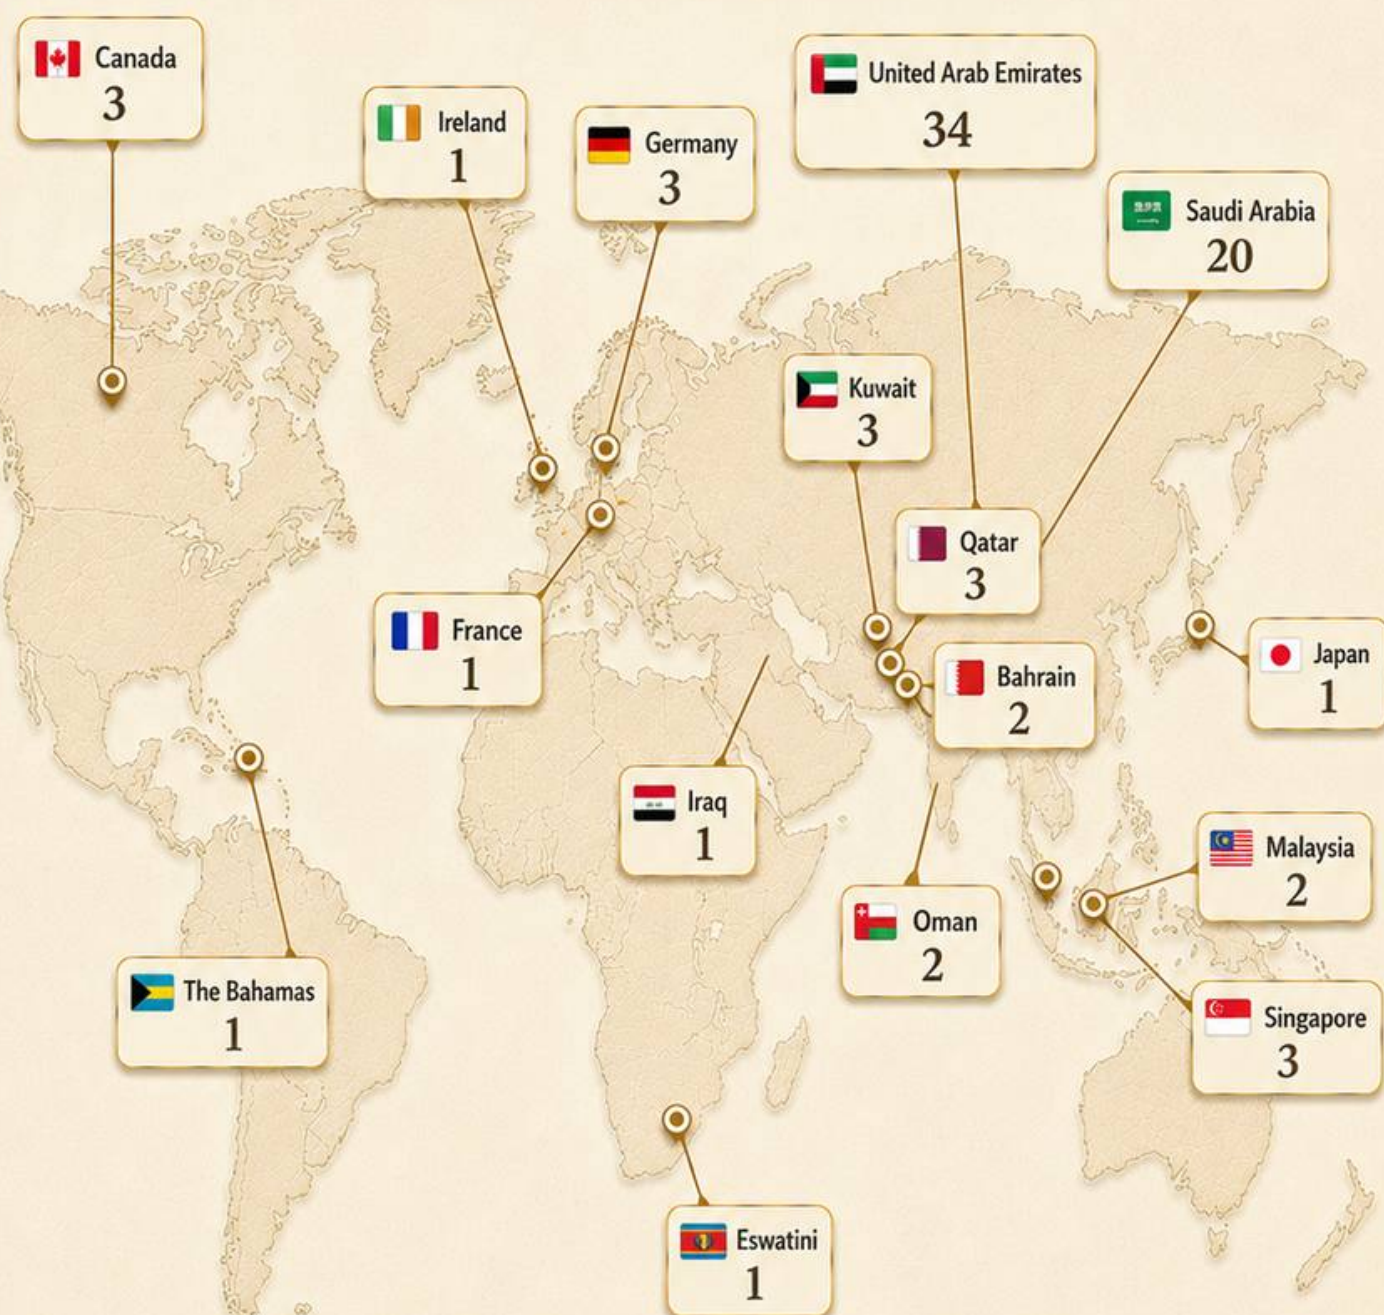

Head of Raw Materials, Al Nafie Groups of Company, Saudi Arabia

I am proud to be a part of the July 2023 MBA (Operations Management) batch at Dr. M.G.R. University Online. This programme has been one of the most valuable experiences of my academic journey. The curriculum is well structured, industry relevant, and designed to provide working professionals with strong practical knowledge in operations management, supply chain, and process improvement. The faculty members were supportive, highly knowledgeable, and consistently available for guidance. The online learning platform was smooth, flexible, and easy to access, making it convenient to balance work and studies. Assignments, case studies, and interactive sessions helped me develop real-world skills that I can directly apply in my career. I am truly grateful to Dr. M.G.R. University Online for delivering a high-quality learning experience that has strengthened my confidence and enhanced my professional capabilities. I would highly recommend this university to anyone seeking a reliable and enriching online MBA programme.
